There is a close connection between generous giving and spiritual devotion. What we do with our money affects us spiritually thus generous giving is the pathway to a deeper, more meaningful spiritual life. The point is not that how we spend our money reveals what sort of people we are, the point is that how we spend our money determines what sort of people we become.

With a grateful heart for God's boundless generosity and if God enables me to do so, I hope to give to Peace Church during 2022:
